WHAT IS SELF-DIRECTED?

Self-Directed Supports give you a way to have more choice and control over the services and supports you need to live a full life at home and in the community. With Self-Directed Supports, you decide how to spend your Medicaid long-term care dollars in ways that work best for you.

proPartnerships

proPartnerships is a Fiscal Intermediary (FI). As a Fiscal Intermediary, we assist you, the employer, in managing your self-directed support budget according to your approved plan.

- ✔ Complete all required tax forms and pay all taxes associated with your program to the Federal and State Governments.
- ✔ Process employee timesheets and mail employee paychecks/paystubs to you on a bi-weekly basis.
- ✔ Review and pay invoices associated with your approved budget.

WHAT IS YOUR ROLE?

Contact a plan writer. Set person-centered goals. Determine goods and service requests.

Find, hire, fire, train, supervise, and schedule support staff.

Determine the rate of pay for support staff. Submit signed timesheets following the payroll schedule.

You can also choose to get services from a DDD/BHDDH agency or another agency that can help you meet your goals.
